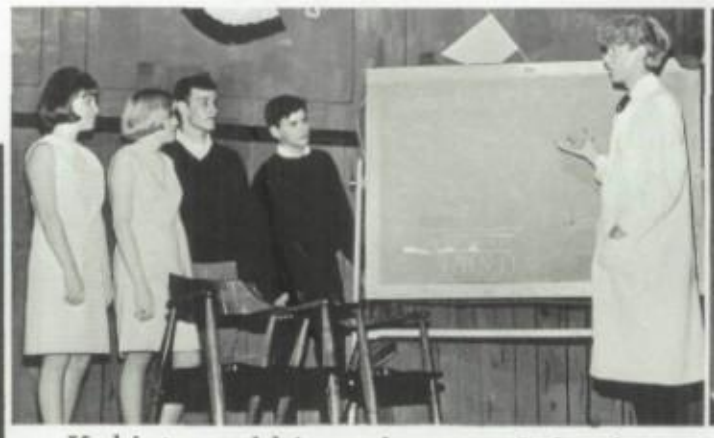
Her Highness, Gloriana the Twelfth!

Tully Bascom - at your service.

Uncle, don't you have a plan?

THE MOUSE THAT

Those press room characters go to a lot of trouble for a little fun.



Kokintz and his students at Columbia with the Q-bomb formula.

Let my housekeeper out of that shelter--immediately!

General Snippit, in charge of security. Two members of my staff.

Here it is! The mass difference of the nucleus is the greatest yet achieved.

Don't talk blasphemy, Madam!

I can't leave yet. The Secretary of State is on his way.

They've used our label, our castle...

Instead of a warning shot, I should've winged him!

ROARED

Maniacs! Psychopaths! You'll get twenty years for this!

I don't know what they are! They have metal heads!

Stop! All right. It's a bomb!!

Where were you going? Why were you sneaking?

Maybe I could tune in the U. S.

He was so surprised... he shook hands with me!

Now we bring you - "inside Grand Fenwick!"

We wish to manufacture a new product to sell to the United States - chewing gum!

TOP 10%: Gloria Ring, Mickey Kraemer, Pat Weiss, Pat Liegel, Linda Longseth, Marilyn Crook, Terry Jensen, Bev Diehl, Debbie Rasmussen, Gail Bruhn, Dena Holton, Martha Dischler, and Mary Jane Layton.

DRAMATICS-FORENSICS CLUB

The Dramatics-Forensics Club is designed for those students who are interested in participating in One-Act Plays, Skits and the Wisconsin High School Forensics Association Program.

Although the club did not function as an organization all year, a program of three one-act plays was presented in the fall under the direction of Mr. Entringer, Mr. Pratt and student director Marily Crook. The play "Andante" won a "B" in league competition.

In the spring speech program, River Valley High continued it's string of victories in Forensics as it defeated contestants from Southwestern League Schools - Dodgeville, Mineral Point, Mt. Horeb, and Darlington. Fifteen members of the club won the right to compete in the district contest at Platteville: six went on to the state contest.

FFA

FFA is an extra-curricular activity having its origin and root in a definite part of Vocational Agriculture. The foundation upon which the FFA organization is built includes leadership and character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, citizenship and patriotism. The FFA motto is: LEARNING TO DO
DOING TO EARN
EARNING TO LIVE
LIVING TO SERVE

FHA

The FHA is an organization designed to encourage and promote interest in the Home Economics field.

Our organization has been active in aiding Veterans, the poverty-stricken, and an orphan through activities such as bake sales, cook-book sales and dances.

Each year the organization sends four delegates to the State FHA convention at Green Lake, which is a very valuable and rewarding experience.

FRENCH CLUB

The French Club is an organization open to all students who desire to further their knowledge of French people and customs. Its goals are not only to promote an interest in the country of France but in internationalism as a whole. Its activities include an annual banquet of French foods prepared by the club members, and regularly scheduled program meetings throughout the year.

FTA

Future Teachers is an organization for anyone interested in the field of teaching. Its purpose is to give students some incite into the responsibilities and difficulties encountered in the teaching field.

The club was newly formed this year. Several film strips were shown depicting actual classroom scenes and problems. The members discussed how these problems could have been avoided, and what action should be taken when they do arise. At one meeting Miss Manger, an art intern, spoke to the group on the intern program.

Plans were made for a visitation program whereby future teachers would be allowed to participate in some of the actual duties of classroom teachers, in the area grade schools. It is hoped that this will be an active project for the Future Teachers Association in the coming years.

GERMAN CLUB

The German Club took its annual field trip to Chicago to see the museum as well as other places of cultural interest. For Christmas, the classes went caroling in the four district townships. Late in the spring, with the other two language clubs, they sponsored an International Night for their parents.

MIXED CHORUS & GIRLS' GLEE

The Girls' Glee Club and the Mixed Chorus are the two performing organizations of the vocal music department at River Valley High School. The Girls Glee Club entered the District contest in Class B and the Mixed Chorus in Class A. Both groups received very good ratings at the contest. The Mixed Chorus exchanged concerts with Deforest High School. This year was the first time the vocal department took part in the exchange program. Other organizations within the vocal department which worked on a point system are the Madrigal singers who got a first rating in Class A at the contest, Triple Trio which got a first in Class B, and the Sextette which got a first in Class C.

LETTERMEN'S CLUB

To be a member of the Lettermen's Club a boy must be a major letter winner. Officers are elected at the first meeting of the school year, and are elected by the members of the club. The purpose of the club is to promote unity in our athletes, hoping it will develop pride and strength within the athletic program. There are 49 lettermen in the 1966-67 club. The Senior members of the club are taken out for a dinner in the spring.

LIBRARY AIDES

Students interested in devoting a free period to serve the library are organized and instructed to perform routing desk duties, handle some A-V equipment and materials, as well as shelve books, mend books and materials, and circulate library materials to other students.

This staff of library aides is composed of volunteers, who, it is hoped, will be rewarded by an increased interest in books and reading.

LIBRARY CLUB

Affiliation with the state organization of student library aides had made it possible for all library aides to become members of the local Library Club. Anyone who is interested in the club is encouraged to join, however.

The present organization has adopted a constitution and by-laws, and is working on a library handbook to be distributed to all students at the beginning of the new school year.

The purpose of Library Club is to provide the members an opportunity to learn more about libraries and to plan more efficient methods of library service to the school.

NATIONAL HONOR SOCIETY

The main objective of the National Honor Society is to strive for the betterment of school and community. This can only be accomplished through the development of scholarship, character, leadership, and service. The NHS holds the quality of leadership in high esteem and requires clear evidence of it in every member. Students with moral integrity, ambition, and courage to do what is right, in spite of popular belief, possess the degree of leadership which the society demands. Character is another trait required of each member. It is manifested by many qualities such as responsibility, dependability, friendliness, honesty, diligence, perseverance, charity, and patriotism. Scholarship is vital for it does not merely indicate learning, but also ambition, perception, and self-discipline. The qualities of leadership, scholarship and character would be of little use if there was not a desire to serve mankind. Each of us today can and should use service as a building block in the foundation of the future.

SPANISH CLUB

Newly formed this year, the Spanish Club celebrated Christmas with a traditional festive Pinata party. With the other two language clubs, they went on a trip to Chicago and sponsored an International Night. Fellowship as students of Spanish and knowledge of Hispanic culture were a part of the aims of this club. For those who have completed their studies in the language, the club give these people an opportunity to keep in touch with Spanish. And for the new students, he is given a preview of what can be accomplished and gained in Spanish.

STUDENT COUNCIL

The Student Council is River Valley's student government. The members represent their classmates. It is their duty to find what the students want done and to decide what should be done so that the majority will benefit.

Student Council members have an important responsibility to the student body. They must act as the link between the administration and the students. The effort that a member puts forth is a measure of how well the students are represented.

However, the Student Council can't do the job alone. The students must show the desire to be represented or the organization loses its purpose.

Hi Joe.
Isn't life
dull without
old chemistry I.
(Although I guess
your subjects make
up for it.)
Its been a fun two
years, having you
around has helped, so
stay that way for
this last one.
Have fun and
stay as you are.
